

Small Business Collaboration Worksheet

1. What do you have to offer another business?

2. What business or audience of a business do you want to reach?

3. What type of collaboration fits best for the audience/businesses involved.

(Giveaway, shout-outs, purchasing social marketing, inviting them to location, etc.)

This free worksheet is to help you make a plan to have a successful collaboration with other businesses. If you choose the right businesses to network with and execute well this will absolutely help your bottom line.
